

information sheet for international program (ip).

MCI regular degree-seeking students now have the **chance to take these elective courses** offered in the International Program; **earn credits** prior or after their international semester; perhaps even get them recognized by their respective department heads – All in an international ambience@ home.

Tuition Fee:

3 ECTS course = €130

4 ECTS course = €150

Assessment.

- Assessment will take place in the last course unit – unless otherwise specified.
- Details on the content and assessment mode will be given by the lecturer in the first course-unit, or stated in the syllabus beforehand.
- No retake exams will be held.

Certificates and Recognition of Credits.

- After a successful completion of the courses, which requires minimum 75% attendance and positive assessment, an International Program Certificate will be issued
- Certificate for participation will be issued if required.
- Course credits acquired in the International Program may be recognized and accredited by the relevant department. Please check with your respective department head.

Attendance.

- Compulsory attendance of at least 75%.
- Students are responsible for managing their time overlaps with other courses.
