### Information for the person responsible for registration

1. You are required to **apply for residence registration** within three days after having moved to a new address, and to **cancel your residence registration** within three days before leaving or after having left your old address.

2. You need the following documents to register:

Official documents, e.g. passport, stating family name, first name, maiden name, date of birth, place of birth and nationality of the person concerned, as well as your birth certificate.

Non-Austrian citizens (foreigners) always need to present a travel document, e.g. passport

3. No matter who completes the registration form, the **person responsible** for the registration is also responsible for the **correctness of the information** given. Please make sure that the information provided in your registration form is complete and correct even if it is filled in by the authority.
4. Your main residence is the address to which you have moved with the intention to make it the centre of your life. If this prerequisite is true for more than one address, you have to indicate the address as main residence to which you have the closest relation. The following facts are important to define an address as main residence which is the centre of your life: duration of stay, location of workplace or school, place from where you go to work or school, residence of other family members, in particular of minor family members, and the place where you work, go to school or kindergarten, posts in public or private corporations. Your main residence is essential for registration in the federal voters' register and for several other official tasks such as car registration, gun permits, and welfare assistance.
5. Please keep in mind that if you change your main residence or other residence you might also have to change other documents such as your car registration or gun permit.
