Insurance & Visa

For registration as a student at an Austrian university and/or for application for a student visa/residence permit, all students, by law must hold sufficient health coverage for their entire stay in Austria.

More information can be found on the homepage of the Austrian Exchange Service (OeAD): <https://oead.at/en/to-austria/entry-and-residence>

Accommodation

OeAD: Most exchange students book a room in a student dorm via the OeAD. For more information please checkout OeAD's website:

housing.oead.at/en

Students can also apply directly at student dorms. A list of all student dorms in Innsbruck can be found in our dormitory flyer.

Private housing:

Finding private housing in Innsbruck may be challenging and requires considerable time and effort to find a flat share or a studio.

We recommend students to book their accommodation as soon as they are nominated (procedures can take a while and student dorms fill up very fast)! For more information on housing, please see www.mci.edu/en/accommodation

Transcript of records

The Transcript of Records will be sent in a PDF format directly to the International Office of your home institution. An original transcript will be sent via post upon specific request only
