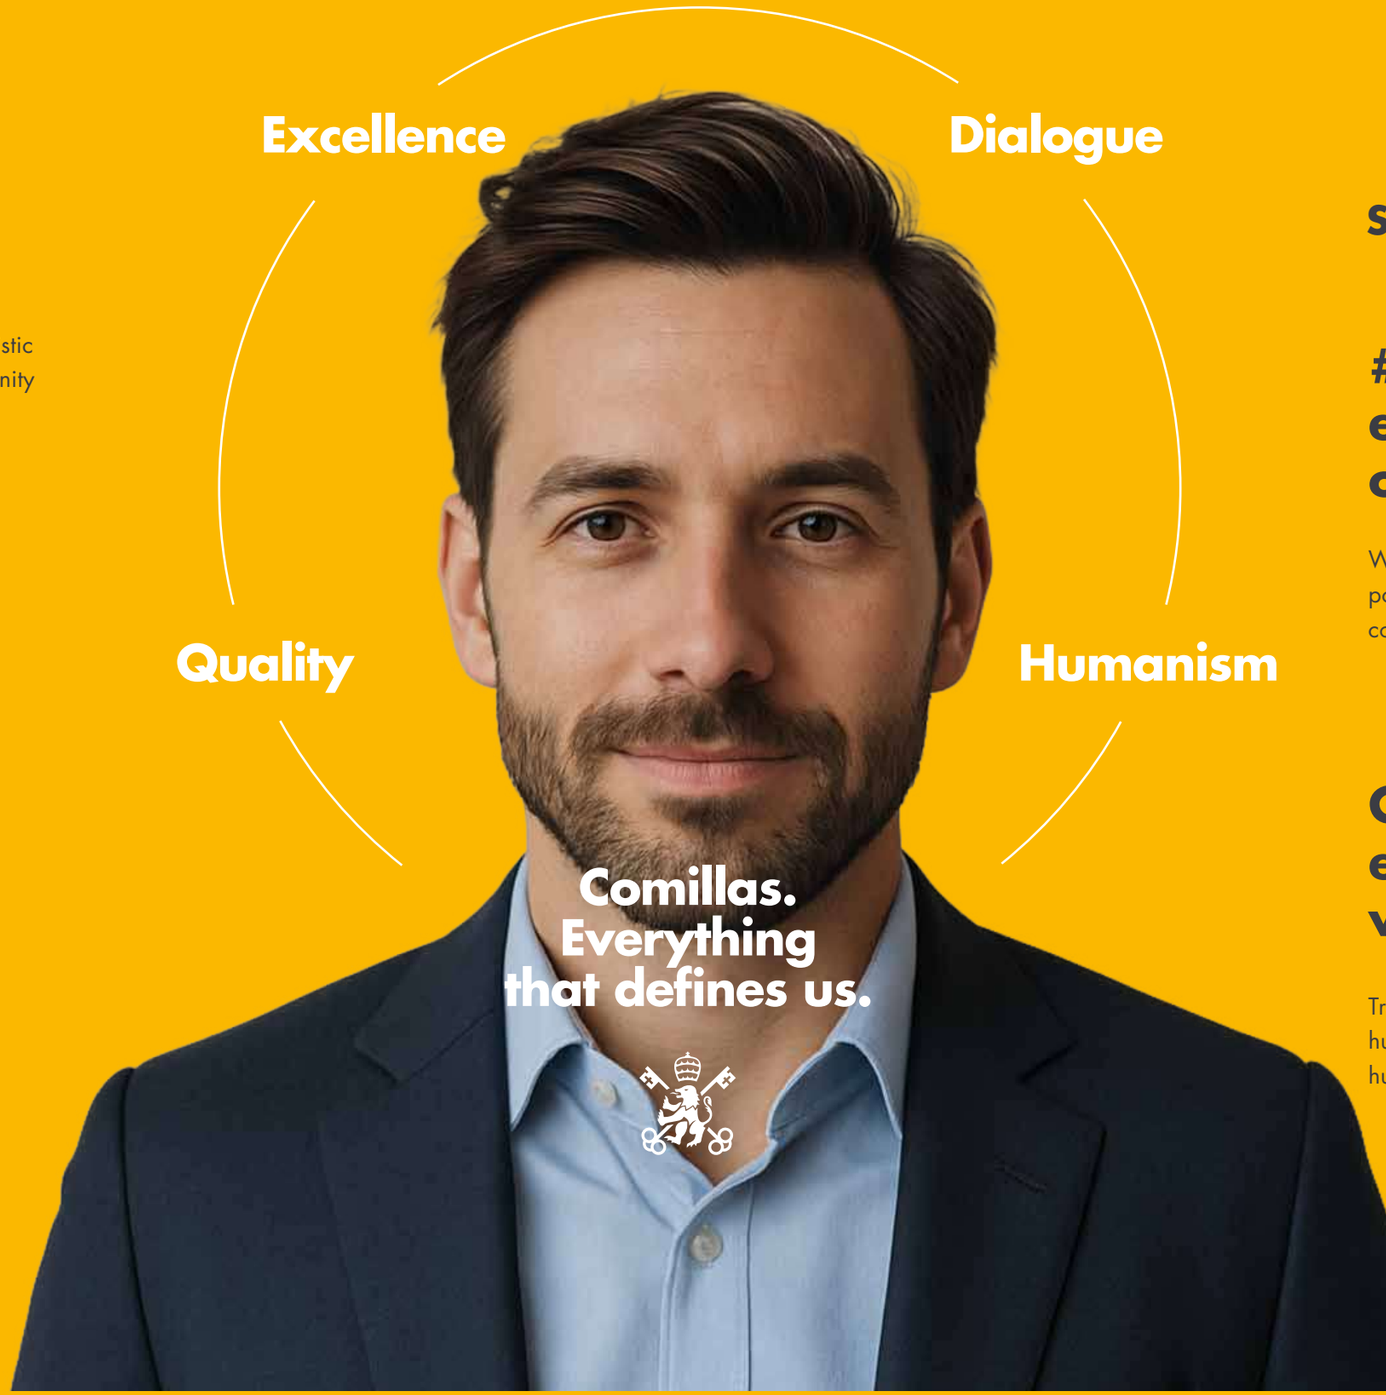
Our *values*

At Comillas, we understand the university as a commitment to excellence, innovation, and holistic education. We are a diverse academic community inspired by the values of Christian humanism, promoting an education aimed at the full development of each person.



Six reasons to choose us

#1 for quality employment outcomes

01

We open the door to a long professional career, positioning you in the world's leading companies.

Over a century educating in values

04

Tradition as a lever for the future: more than one hundred years shaped by the values of Christian humanism.

#1 International Network & Alumni

02

You will join the most prestigious international university network, drawing on the pride and potential of our alumni.

We develop AI with an ethical vision

03

We train professionals to design and govern transparent, fair AI oriented to the common good.

Leaders in innovation and sustainability

05

Our commitment to progress enables us to imagine a future that respects life, the environment, and human dignity.

Excellence and humanism as our purpose

06

At Comillas, we unite academic excellence, ethical values, and a humanistic vision to shape responsible, transformative leaders.

Comillas Ranking

Once again, the QS Europe ranking has placed Comillas among the leading European universities for student exchange. The Jesuit university in Madrid ranks first in Spain and eighth in Europe for sending exchange students to prestigious international universities (outbound mobility), and fourth in Europe and second in Spain for hosting international students (inbound mobility).

In addition, Comillas stands out for its employability, ranking as the second university in Spain in terms of reputation among employers and its initiatives supporting employment and employability.

Academic Information

Comillas Summer School offers a variety of short-term academic programs designed for international students who wish to earn credits while experiencing life in Spain.

OUR COURSES ARE TAUGHT BY COMILLAS FACULTY AND VISITING PROFESSORS, AND ARE CHARACTERIZED BY:

- Interactive and practice-oriented teaching methods
- Small class sizes
- International classroom environment
- Continuous assessment

Courses are equivalent to ECTS credits and may include lectures, case studies, group projects, and field visits, depending on the subject area.

Detailed syllabi, learning outcomes, and assessment methods are available for each course.

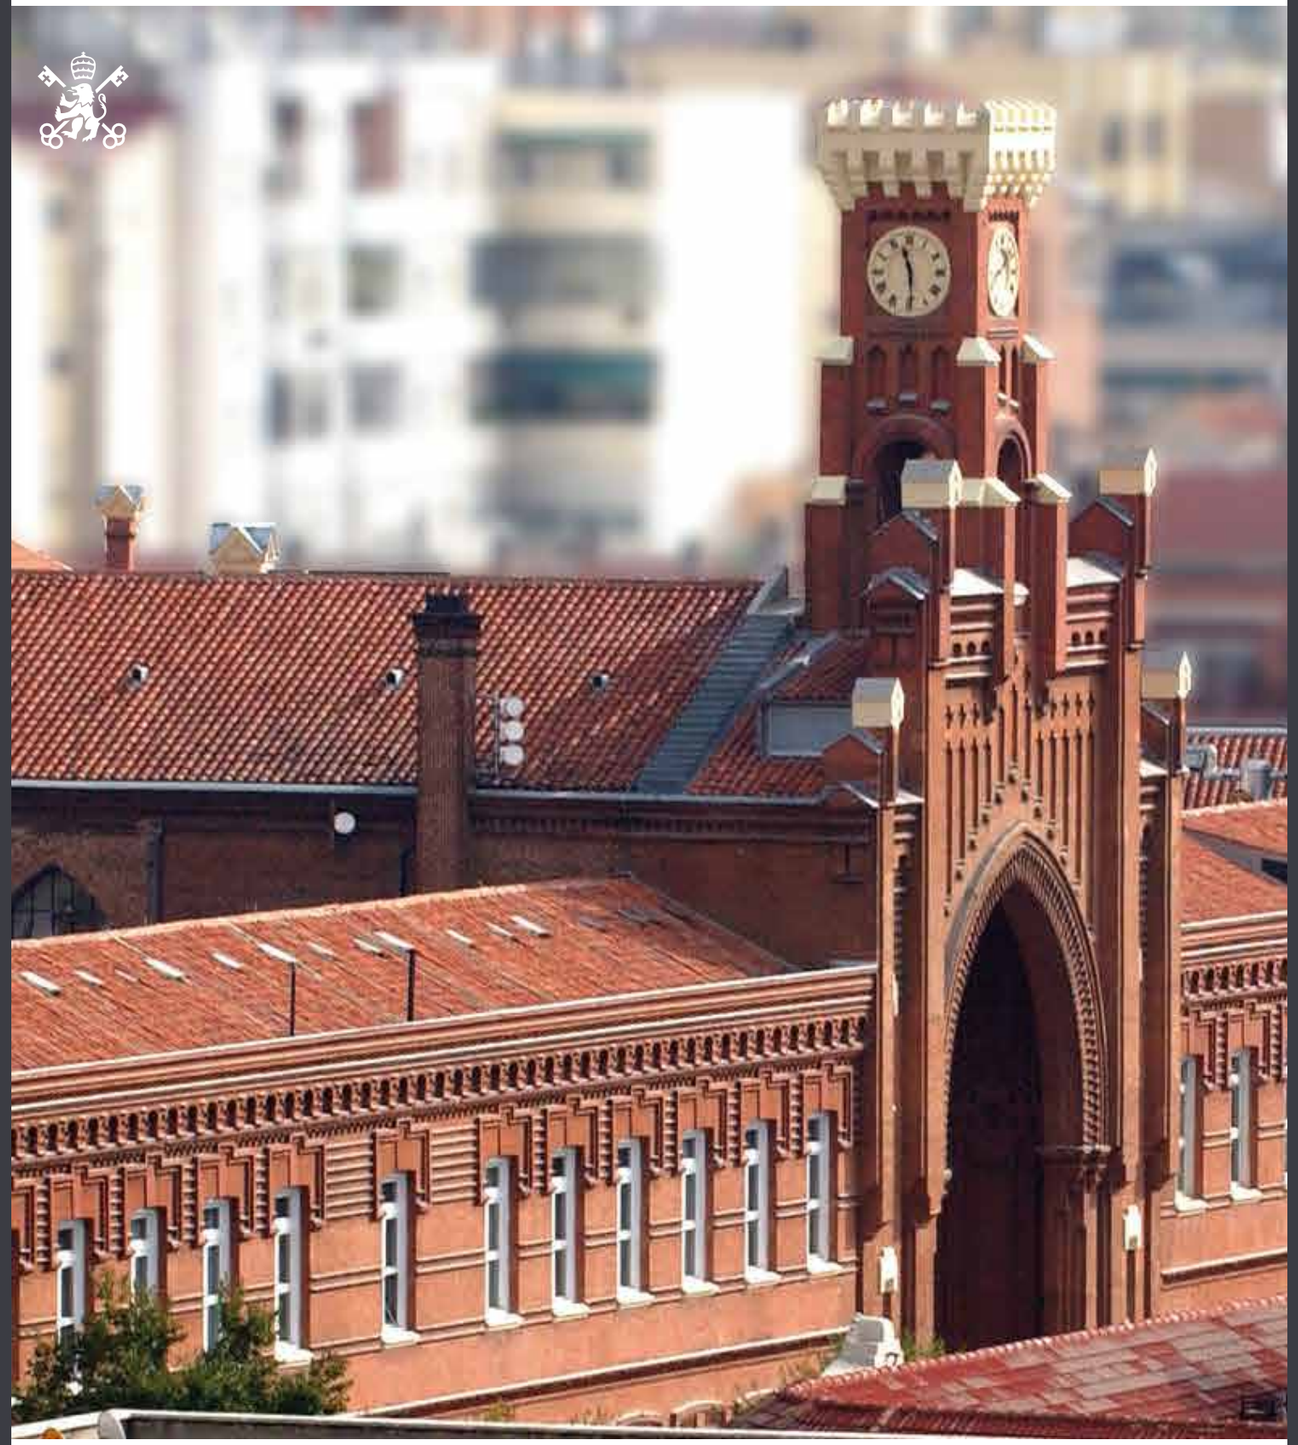
Cultural and Social Program

At Comillas, we believe that cultural immersion is an essential part of the learning experience. Our Summer School includes a carefully designed cultural and social program that allows students to discover Spain beyond the classroom.

ACTIVITIES MAY INCLUDE:

- Guided tours of Madrid
- Visits to historical cities
- Museum visits
- Cultural workshops
- Welcome and Farewell events
- Walking tours
- And so on

These activities help students connect with local culture, build friendships, and make the most of their in Spain.



Campus Life

Comillas offers a vibrant and international campus environment where students can study, socialize, and relax.

OUR CAMPUSES FEATURE

- Moderns classrooms and study areas
- Wifi, virtual campuses
- Libraries and computer rooms
- Cafeterias and common spaces
- Student support services
- Gym and sports activities

During the Summer School, students will have access to university facilities and will be supported by our international team, who will assist them throughout their stay.

Accommodation

Comillas offers different accommodation options to suit students' needs, including:

- University residences
- Shared apartments

All options are carefully selected to ensure comfort, safety, and easy access to campus. Detailed information about prices, locations, and services will be provided once students are admitted.
You can also take an overview of accommodation in Madrid here:

www.comillas.edu/en/alojamiento/

Applying to *Summer School*

The application process is simple and fully online. Students will need to provide their passport number, home university name and email address, as well as the course they are interested in.

Once we receive this information, we will register you on our application platform. You will then be asked to submit the following documents:

- Passport copy
- ID photo
- Insurance copy
- Proof of English or Spanish proficiency (if required)

Enrolment deadline: 15 May.
Late applications may be accepted, subject to availability.

Once accepted, students will receive detailed instructions regarding payment, visa procedures (if applicable), and pre-arrival information.

Early bird discounts may apply for applications submitted before the deadline.
