Scholarship applications from mid-February until March 30, 2018!

Since 1945, thousands of people have been gathering every summer at the European Forum Alpbach (Austria) to develop new perspectives for tomorrow's Europe. Experts from science, politics, economics, culture and civil society join forces to address current challenges of our society. Join smart minds from around the world in a charming Alpine village, immersing yourself in an environment bursting with novel ideas, new ways of thinking and opportunities for making great contacts.

With the Alpbach scholarship programme, young people under 30 can attend this leading interdisciplinary conference and a variety of academic seminars. A basic scholarship covers the participation fee to all events at the European Forum Alpbach. Additional subsidies are available for accommodation and daily allowances.
